

NATIONAL SPECIALTY AUGUST 18, 2018

This years' **National Specialty** will be held in conjunction with St. Catherines & District Obedience & Kennel Club in Welland, ON, the weekend of Aug 17 - 19. There are two All Breed Shows Friday, one on Saturday plus our national and one Sunday, making a total of **five sets of points** for our breed. We will booster the Conformation and Rally entry on Sunday.

There are **four Rally obedience** trials, two on Friday and two on Sunday. We will use the Friday trials to select our National Specialty winner.

The **two Obedience** trials are held on the Saturday and these will count toward our National Specialty winner.

The host club offers a **free BBQ on Saturday night** thus we will do **our BBQ on the Friday** night. We are continuing to offer our BBQ for just \$10 per person. Contact Michelle at realwoodss@gmail.com to confirm you are coming and to arrange payment for your meal. The BBQ will be preceded by our **Annual General Meeting**. Our renowned **auction and raffle** will be set up before the meeting and concluded after the meal. If you have anything to donate for the auction please contact rhealmorin@hotmail.com. You are welcome to join us even if you are not showing, it is a great social event.

Camping is available on site at a rate of \$20/day, they offer electrical and water hook ups, there are washroom facilities. I am arranging for our SSCC members to camp together so make sure you tell them you are there for our specialty. Camping is arranged through the St Catharine's club and you will find the contact information in the premium list.

The **show secretary** for this event is MJN Show Services, when the premium list is available it will be posted on their website.

For any further information please contact Michelle Ross realwoodss@gmail.com

This region is peppered with wineries many of which offer tours. If you are interested, check out the Niagara Peninsula tourism and see what fun you can have while you are in the area.
