

ONTARIO SOCIAL DAY will be held APRIL 28, 2018

We are once again planning to do a social day for the club at our home in Moffat, near Milton. The actual address is 10510 First Line, Moffat, ON L0P 1J0. The home phone is 905-854-1966 just in case you get lost along the way or need to talk before hand. There is **no charge** for this year as my friend Sue is donating her time. I would like to have some idea if you are planning on coming just so I have an estimate of numbers, please email me to let me know ssccpres@gmail.com

Sue Trout is a long (ok, very long) time Superdog show person, teaches at Scholars with Collars obedience group in Burlington, she and I also teach Mr Spot Dog Camp in Kingston together every July and she does work-shop on request for other groups.

Since most will be driving from a distance we will meet at **10:00** have coffee and snacks then start training at 10:30 to 12:30. Lunch will be 12:30 to 2:00, less if we find we want to get back to work then 2 more hours of training. Sue is prepared to change up the afternoon and introduce you to Freestyle dance with your dogs or continue with more tricks depending on what the crowd wants. If you are only able to come for half of the day that is fine, we would love to see you.

Food - Bring what you want, we will need snacks for morning with our coffee & tea then our pot luck lunch. Last year we just continued to nibble on the dessert for the rest of the day! I will provide the coffee, tea and water for the day, if you would like something else to drink please bring that for yourself.

Dress - Remember our training building is not heated so if it is a cool day dress warm, if it is down right cold we will move into the house for lunch, here is hoping for a nice warm spring. Bring a **chair** with you as it is a long day to be standing.

Crate – You may want to bring a crate for your dog so he can rest there while you are having lunch or just get away from the crowd and work when he needs a break.

This is meant just to be a casual, social, fun day with members and their dogs. You will need to **bring lots for treats for your dog** if you are planning on participating. It is best if your treats can be broken into small bits, some soft, bring a good variety of flavours and keep them in separate containers so the flavours stay different. This helps keep your dog interested.

One other thing, for those of you that are using **Hilary's products**, she presented to us last year at the social, I am able to get them for you at the same reduced rate she gave you last year. Since I will need to pick up the product from her before hand please let me know what you would like, you can pay me on the day of the social. **Michelle Ross**
