

2024 National Specialty in May from Michelle Ross

Our 2024 National Specialty is set for May 19 at the K-W Auditorium in Kitchener in conjunction with the K-W Kennel Club show over the 3 day Victoria Day weekend. Our specialty judge will be Mary White from Ohio and our sweepstake & Junior handling judge will be Sandi McTavish Allbury from Ontario.

There will be all breed shows each day, so 4 sets of points over the weekend with Saturday being our booster. This year we are also adding classes for altered dogs and bitches (neutered) at the request of some members, hoping this will bring some others out to join us at our National. There will also be 3 rally trials on Monday using two judges and one ring so it is possible to get your title in the one day. Rally judges are Mary Monteith and Lorraine Purnell.

The Club will be given an area for crating with power so we can all be together, look for a table covered with our tablecloth which has the old logo and name on it. We will once again have our dinner and raffle in this area. The dinner will be Sunday evening and the raffle draws will be made at that time.

If you have anything to donate to the raffle it would be most helpful if we (Karen Pare or Michelle Ross) had it before the weekend or on Saturday of the show weekend. Our dinner will be the same as always, BBQ chicken, potato salad, green salads, buns and desserts. The cost of the dinner will be \$15 and any leftovers will be out on Monday for lunch. If you are planning to come to the dinner you will need to let Michelle (tealwoodss@gmail.com) know by Saturday. Remember you do not have to be showing to come to the dinner, we love to see any of our members out for this social occasion.

-  We will need some help with a few different things over the weekend.
-  Putting together the raffle baskets on Saturday
-  Selling the raffle tickets
-  Setting up for dinner, (Dave will go pick it all up for us) on Sunday
-  Setting up the trophy table at ringside on the booster and specialty days
-  Take pictures during the show, Brian McCarthy usually comes to do this for us so I am sure hoping they will be there again this year??? I will need pictures for the newsletter pretty quickly after the show.

I'M OLD ENOUGH TO KNOW BETTER,
BUT YOUNG ENOUGH TO DO IT ANYWAY.

Angie, Farris & Cheryl - Oh My
